Part B for October 1950

SUBJECT

Regarding the disposal of some Lands attached to the Palace Gajapathi at Puri

D.2.C.2795/94 October 1950 from the Chairman, City Improvement Trust Board intimating that the question of selling the above premises is deferred.

by

Tai Nadu — 21.7.50.

Notification

The Public are hereby informed that the Palace Gajasala Premises (site only) in Mysore, which measure 25,000 Sq. Yards approximately are for sale. The intending purchasers may send their offers to the Huzur Secretary to His Highness. Further particulars may be had from the Palace Engineer, Mysore.

H. N. PALLEGAR,
Huzur Secretary,
to H. H. the Maharaja
of Mysore.

1) Submitted for perusal.

2) This is one of the properties declared to be the private property of His Highness and awaiting scrutiny at the hands of the Govt. The case is before Council for informal consideration of the rough and ready principles to be evolved for carrying out the scrutiny.

3) At current prices, the above property may easily fetch between Rs. 2 to Rs. 3 lakhs.

4) It is for consideration whether, pending scrutiny of the private properties of His Highness

and their final acceptance as such by the Govt. of India, the Palace authorities may be advised confidentially to stay action to dispose of them, if there is no objection.

7) I doubt if Palace Rajabhala could be post. properly — nor if it is going to fetch Rs 2 to Rs 3/- lakhs.

8) I would much rather see that the land is taken over by the Bd Board & a proper lay out is laid. When roads are made — the space left over for sites will be much less — & it may not fetch very much over the cost of the lay out & the cost of acquisition. The Bd Board cannot permit private lay outs and that prohibition may be a sufficient deterrent for any purchasers to invest a large sum as its purchase money.

In fact it would be far better that the Trust Bd. does the job. than to leave it to a private individual or body who may purchase the property.
